S4K Archery – At over 10,000 years old archery was the first sport contested competitively in England. Soft archery is a great way to develop your hand/eye co-ordination while challenging yourself against your friends! Using various boards and targets in a wide range of games, archery is a unique opportunity to enjoy yourself and have fun!

S4K Dodgeball - Dodgeball is a fun and exciting way to participate in sport as part of a team. This certain team sport requires us as individuals to adapt our skills to work as part of a team and all work together towards the same objective or goal. This will test vital skills such as communication, decision making and trust. Come and sign up now!

S4K Futsal - The SK4 Futsal club is a great chance to learn a different form of the very popular game football. Futsal is played on a smaller pitch, with fewer players and on a hard court. Children will be able to improve skills such as dribbling, passing, defending and shooting. This is all done with fun and exciting drills weather that be working individually or as part of a fantastic team. Do not miss out on a superb introduction to the sport of Futsal.
